

Continuing Professional Development Courses

New Leaf Trainers can deliver a wide range of CPD courses to Health Care Professionals.

We employ staff from a variety of disciplines so CPD courses can easily be tailored to meet your needs.

Disciplines include:

- Dietetics
- Physiotherapy
- Nursing
- Cardiac Rehabilitation
- Exercise Physiology
- Nutrition, including sports specific nutrition

Examples of courses we have delivered in the past are:

- 'Principles of Exercise Prescription'. We delivered this course to Physiotherapists.
- 'Reducing the Incidence of Falls in the Elderly'. Delivered to Care Home and sheltered accommodation staff.

For more information, including costings, please contact:

Paul Stern, Managing Director.
